

Session 10: Christian to the Core

Caring and Sharing (Part 2)

Sharing God's Blessing

This week we continued a discussion about sharing the gifts God has given us (talents, abilities, possessions & salvation). The stories of Mary, Martha and Lazarus give a great example of how they opened their home to share what they had with Jesus. God wants us to manage what he has given us with care, and be quick to share.

Giving heart

This week we focused on generously sharing all that God has given us. What does your family share well? Read Matthew 6:19-34 together; discuss ways in which you already express generosity.

Matthew 6 teaches that we should not be focused on the things we have, want or need. Our focus is to be on Heavenly things. This includes being generous with who you are and what you have. It is easy to worry about not having enough, but God promises to provide for your every need. Chat as a family about why it can be hard to share. Confess these reasons to the Lord and ask God to replace them with faith and generosity.

Take Action...

Over the week make a list of **WHAT** each family member can share. Then decide **HOW** each person can share their gifts, talents, time and things with others. Each day choose a sharing option and implement it. Start by sharing with one another as a family and expand to extended family, friends, neighbors and the community.
