

Session 4: Christian to the Core Being God's Child

Luke 19:1-10 Zacchaeus was short and he was a tax collector. He was easy to overlook in a crowd and without many friends. He didn't let those challenges keep him from trying to see the Messiah. Jesus saw Zacchaeus, loved him and that exchange changed his life!

Showing Love:

This lesson corresponds with the adult session, ‘A Visionary Life’

This week you children learned about being who God created them to be. We all play a vital role in modeling what it means to grow and be a follower of Jesus.

One of the best things about family is the intimacy it provides. Spending LOTS of time with someone creates a memory bank of shared experiences, observations, and inside jokes. Our families see our best, our worst and everything in between. The people we share our lives with know us best and accept us as we are.

The wonderful thing is that God intimately knows each of us and He delights in us just as we are. He knows our potential. He knows our sin, and he loves us with a never stopping, never giving up, unbreaking, always and forever love.

You echo the voice of God to your children as you encourage them to be who God created them to be, and remind them that they are valued and loved.

Take Action...

Spend time thinking of each family member. Make a list of 5 positive things that are true of each person. Share this list during a family time and celebrate what God has created. Ask each family member to share something about themselves others may not already know.
